Glaslogo windlight (two-piece)

Productinfos:

The original lantern consists of a 1-color printed inner glass and a frosted outer glass. Design the inner glass completely according to your wishes. Note: The subject should be blanked out. We recommend a dark ink. The darker the ink, the better the recessed print motif can be seen. The subject flickers on the table with the wind. Advertising space inner glass: please download the print template or request it by email. The two-piece lantern comes with a tealight and a white present box.
